**Marco Polo Italian Eatery** closed Sunday at Newport North Shopping Center and **Champagne's Market & Deli** — an existing tenant — will relocate into that space this summer. The new spot will give the gourmet deli more patio seating, according to the Irvine Co., which owns the center.

[Marco Polo](#) served classic Northern Italian dishes. General Manager Anthony Hibbard said that the Irvine Co. would not renew its lease, which expired Monday. An Irvine Co. representative confirmed that the lease was not renewed.

The restaurant is scouting locations to re-open, but has not found one yet. Hibbard thanked diners for their support.

The center is at MacArthur Blvd and Bison, near the (73) Corona Del Mar Freeway.
